Subject: FW: ASARCO petition to reopen STB "abandonment exemption" for RR lines in Bonne Terre

Gene, You probably have seen this petition by now. I do not have the attachments to view any maps. Below is what I have for a description of the 1.1 miles.

One of the STB decisions has a sheet with that's supposed to have the map on, but it says "MAP TO BE SCANNED". That's from 12/26/00, so I don't know that it will be added. The description of the line is: Union Pacific line from milepost 31.20 to milepost 30.10 (1.10 miles), over the Bonne Terre Industrial Lead in Bonne Terre, St. Francois County, Missouri.
